

THE SOCIETY OF EXPERIMENTAL TEST PILOTS
 JAVIER ARANGO MEMORIAL AWARD EVALUATION GUIDE

Attachment 1

TITLE: _____

SPEAKER(S): _____

Presentation with either a historical focus or focus on man machine interface should be considered for this award. The purpose of presenting a paper to a group is to capture significant or vital events, aircraft or people in the flight test profession. To qualify as a historical paper the material should be about events, aircraft or people whose relevance or focus took place greater than 25 years prior to today. To meet the criteria for Human Machine interface the presentation should focus some aspect of flight testing related to the interface or interaction between humans and the aircraft. The items listed below have been agreed to by the Board of Directors as the most important aspects of a technical paper. Please use this guide to compare the relative merits of the paper being presented.

	Score (10 best)	Weight	Subtotal
