## JOSEPH W. OZIER $\eta$ *ETA* AWARD EVALUATION GUIDE

TITLE: \_\_\_\_\_

SPEAKER(S): \_\_\_\_\_

The Joseph W. Ozier  $\eta$  *Eta* Award is given specifically to recognize the presenter or presenters whose presentation demonstrates how new or refined test techniques, imaginative data collection and processing, novel approaches, more efficient support equipment, fixtures, etc. resulted in better execution of the test program, balanced with risk and mindful of safety as well as lessons learned that increase test efficiency and effectiveness. In today's world, fiscal realities and limitations present unique challenges to testers to plan, execute and report a safe and technically sound test program in an efficient manner to minimize cost.
